

Cambridge Pocket Clinician. Expert Advice in Your Pocket.

Cambridge University Press is pleased to announce a new series **Cambridge Pocket Clinician**. Chock full of easy-to-use bulleted lists and summary boxes, these concise and practical guides are the perfect resources for the resident, medical student, or the busy clinician at any level of practice. In every book, each topic details: *History and Physical including Signs and Symptoms, Tests including Imaging, Differential Diagnosis, Management and Specific Therapy.*

Conveniently pocket-sized for portability and written by world-renowned experts in each specialty, every book in the **Cambridge Pocket Clinician** provides clinical expertise and advice when and where you need it most -- on the wards, in the office or at the bedside.

The series will debut in August 2007 with the following nine books:

- **Acute Stroke Care** *Ken Uchino, Jennifer Pary, and James Grotta, all, Houston Stroke Team, University of Texas*
- **Dermatology Diseases and Therapy** *Norman Levine, College of Medicine, University of Arizona*
